ANNOUNCEMENTS / ACKNOWLEDGEMENTS

You do not have to have a paper copy of the POD, a digital copy will suffice. All paperwork is available on the unit webpage. You need to request access ASAP to have access to everything you need to be successful as a Cadet. There is much to cover during drill, make sure you are on time. Bring water and a sack lunch with you.

Please plan accordingly and advise if you can't make drill (MANDATORY)

Grooming standards will be enforced. If you arrive at drill and you are out of regulation with grooming you may be sent home to correct it. If you have been exposed to COVID-19, do **NOT** show up to drill. Advise the Medical Officer.

Any documents that need to be turned in, please send to ADMIN via email at: CO@phoenixdivision.org

Attendance is mandatory and will be enforced. You are **required to maintain at 75% attendance** to stay in the program. If you "no show" this is considered an unexcused absence and counts against you. You must notify your chain of command. If you fail to maintain the 75% attendance, you will be dropped from the program.

PARENTS MEETING – There will be a parents meeting. I highly encourage all parents to send me an email to get all your questions answered.

PT, PT, PT is something you need to prepare and work on. Cadets need to be physically prepared as well as mentally when attending any drills or training evolutions. The only exception from performing PRT evaluations is to ensure that you do not hurt yourself in the performance of training. If you have any special requirements or accommodations, communicate them to any of the instructors or staff.

All Hands: Check your ID cards for current dates of enrollment, if your re-enrollment date has expired you need to reenroll or see the admin for your new ID card. If you need to re-enroll, you can pay via the Unit Website. This is extremely important to have a current ID or you will not be able to participate in advanced training. Remember if there is no ID, then there is no training.

COURSEWORK, COURSEWORK, COURSEWORK! Be sure to complete coursework. If you do not know how to complete your coursework, ask your Petty Officers. All coursework and exams are found on Polaris.

James George
Lieutenant Commander
Commanding Officer
